

How to spend the rainy season in Miyazaki Prefecture

Miyazaki Prefecture is located in the southern part of Kyushu. Due to its warm climate, it attracts many tourists all year round. However, the rainy season is a difficult time as there is a lot of rain and the temperature can be very hot. In spite of this, there are many spots you can enjoy in Miyazaki at this time of year.

This month, we will introduce different ways you can spend the rainy season.

Hot spring tour

Miyazaki Prefecture has many hot springs, that you can enjoy by going on day trips to or by staying over. Why not relax in the hot springs and heal your tiredness from the rainy season.

Driving by the seaside

The sea in Miyazaki Prefecture is very clear and allows one to enjoy the beautiful view. The weather can be changeable, it is important to check the latest weather information before heading out.

Mountain climbing

There are many mountains in Miyazaki, and you can enjoy the surrounding nature as you climb them. However, climbing mountains can be quite tiring, so it is important not to overdo it.

Visit museums and art galleries.

Miyazaki Prefecture has several museums and art galleries. You can spend the rainy season while learning about the history and culture of Miyazaki Prefecture.

However, there are also some important points to keep in mind during the rainy season.

- Check the weather forecast.

During the rainy season in Miyazaki the weather can be changeable. Be sure to check the latest weather information before heading out.

- Bring rain gear.

If you have rain gear with you, you will not be caught out in any unexpected showers.

- Be careful and mindful of your physical health.

During the rainy season, the temperature and humidity can change, so it is important to take care of your own health.

Here we have introduced just a few ways you can spend this rainy season. We hope you will find your own way to enjoy it this year.
